With the upcoming 2020 election at our doorstep, we urge all residents of California to gear up and help signal in a new day for our great state. We also encourage each California resident to participate in the upcoming Census 2020 to insure a complete and accurate count!!

Only by voting and participating in Census 2020 in big numbers can we hope to reduce the misery index in our black neighborhoods and communities. Only by voting with an absolute vengeance, can we ever hope to bring about a sense of true increase and advancement for the "Beloved Community!"

The San Diego Chapter of the Black Political Association of California, BAPAC SD, works to ensure the economic, social, and political force of the Black community in San Diego County remains relevant
